Mobile and Desktop Flexibility in a Compact Scanner

The Xerox® DocuMate® 3115 has all the features you expect in a powerful desktop scanner such as a 20-page automatic document feeder (ADF), 30 images per minute duplex scanning speed, At the push of a button, the DocuMate 3115 ejects from its docking station to become a full function mobile scanner.

When undocked, the DocuMate 3115 can be powered by a second USB cable instead of an AC adapter, providing a true mobile experience for users on the go. The front feed slot accepts documents from letter/legal/A4 size to photos, receipts and plastic ID cards.

The DocuMate 3115 offers a professional software package from Visioneer® and Nuance®.It includes powerful image enhancement, document management and OCR tools.

Flexibility to Meet the Needs of Any Job

Modern offices are no longer defined by traditional walls and desks, so when your work space is not contained within four walls, you need a scanner with flexibility. Whether scanning contracts, forms, receipts, photos, ID cards, handwritten notes or virtually any document of varying size or complexity, the DocuMate 3115 does its job so you can do yours. It is the perfect companion for anyone in the fields of healthcare, real estate, construction, financial services or insurance.
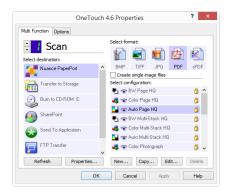

Documents are most often captured where the user first encounters them. The DocuMate 3115 is well-equipped for use in a wide range of business applications, possessing strong qualities of both mobile and desktop scanners. It is an exceptional value, offering high-speed, ADF document flow, and a productivity software bundle to meet the ever changing of the mobile-minded business user.

Xerox® DocuMate® 3115 Scanner Software Solutions

Software by Visioneer®

OneTouch

OneTouch is an easy-to-use utility that connects the DocuMate® 3115 with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, Microsoft® Word, your printer, a file folder, or to one of many cloud destinations.

Acuity

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

DriverPLUS

DriverPLUS is a new generation of driver technology that is based on TWAIN™ 2.1 specifications that provides advanced features and greater reliability for both users and system integrators. DriverPLUS combines the features of advanced 32- and 64-bit native Windows®-based TWAIN and WIA drivers PLUS new Acuity optimization software and a sophisticated user interface.
